

CASE ID # 51-4186195, SOCIAL SECURITY # 165-72-8356

Dear County Assistance Office,

At an in-person meeting with CAO personnel last week, I learned my last attempt to update my application for SNAP was unsuccessful because CAO personnel scanned my documents improperly, and I misunderstood what information was requested in NOTICE ID # 138027128.

Attached are:

**DOCUMENT A:** NOTICE ID # 138027128, in which CAO requested additional financial information;

**DOCUMENT B:** Proof of last payment for writing work, consisting of an invoice;

**DOCUMENT C:** Further confirmation of payment via all information available from the account transaction, which occurred via Venmo.

**DOCUMENT D:** A signed letter confirming two additional, non-employment related income sources. My family partially financially supports me in the amount of \$200 to \$300 per month, and my roommate, who pays me \$300 to rent a room in my home.

Please let me know if you require any additional information or documentation.
